GENERAL PROVISIONS APPLICABLE TO THE COVERED BONDS

24	Form of Covered Bonds:	
	(i) Form:	Bearer Covered Bonds: The Covered Bonds will be in bearer form and will be represented by a Permanent Bearer Global Covered Bond (the "Permanent Bearer Global Covered Bond") substantially in the form annexed to the Supplemental Agency Agreement (the "Supplemental Agency Agreement") dated 31

August 2010 made between the Issuer, the Principal Swiss Paying Agent (as defined below) and the other agents named therein.

The Permanent Bearer Global Covered Bond is exchangeable in whole but not in part for Definitive Bearer Covered Bonds and Coupons only if the Principal Swiss Paying Agent deems the printing of Definitive Bearer Covered Bonds and Coupons to be necessary or useful, after consultation with the Issuer, or if, under Swiss or any other applicable laws and regulations, the enforcement of obligations under the Covered Bonds can only be ensured by means of effective Definitive Bearer Covered Bonds and Coupons. In such cases, the Issuer shall provide, at its own cost and expense, for the printing and delivery of Definitive Bearer Covered Bonds and Coupons in accordance with the rules and regulations of the SIX Swiss Exchange.

The Permanent Bearer Global Covered Bond shall be deposited by the Principal Swiss Paying Agent with SIX SIS AG, the Swiss Securities Services Corporation located in Olten, Switzerland ("**SIX SIS AG**" or the "**Intermediary**", which expressions shall include any other clearing institution recognized by the SIX Swiss Exchange) until final redemption of the Covered Bonds or the exchange of the Permanent Bearer Global Covered Bond for Definitive Bearer Covered Bonds. The Permanent Bearer Global Covered Bond will document the right to receive principal and interest thereon and all other rights and obligations in connection therewith.

Once the Permanent Bearer Global Covered Bond has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Covered Bonds will constitute intermediated securities ("**Intermediated Securities**") in accordance with the Swiss Federal Intermediated Securities Act.

So long as the Covered Bonds are represented by the Permanent Bearer Global Covered Bond, each Covered Bondholder shall be the beneficial holder of an interest in the Permanent Bearer Global Covered Bond to the extent of the amount (determined on the basis of statements of account provided by SIX SIS AG) of its investment therein, provided that for so long as the Permanent Bearer Global Covered Bond remains deposited with the Intermediary, the Covered Bonds may only be transferred by the entry of the

transferred Covered Bonds in a securities account of the transferee, as set out in the provisions of the Swiss Federal Intermediated Securities Act regarding the transfer of Intermediated Securities. In accordance with the regulations of the SIX Swiss Exchange, Covered Bondholders do not have the right to request the printing and delivery of Definitive Bearer Covered Bonds.

The records of the Intermediary will determine the number of Covered Bonds held through each participant in that Intermediary. In respect of Covered Bonds held in the form of Intermediated Securities, the Covered Bondholders will be the persons holding the Covered Bonds in a securities account in their own name and for their own account.

Should the Definitive Bearer Covered Bonds and Coupons be printed, the Principal Swiss Paying Agent will then exchange the Permanent Bearer Global Covered Bond (in whole but not in part) against delivery of the Definitive Bearer Covered Bonds and Coupons and thereupon cancel and return the Permanent Bearer Global Covered Bond to the Issuer. The Definitive Bearer Covered Bonds and Coupons will be printed and issued to the holders of beneficial interests in the Permanent Bearer Global Covered free of charge in exchange of such interests in the Permanent Bearer Global Bearer Bond.
