### 1.8.4 Own funds - DNB Bank ASA and DNB Group

### 1.8.5 Cross-sectoral financial group

Financial groups that consist of both a credit institution and an insurance undertaking and have been defined by the authorities as a “financial conglomerate” or cross-sectoral financial group, have to report capital adequacy on a consolidated basis. The cross-sectoral calculation tests that the DNB Group complies with both sectoral requirements, the “capital adequacy requirement in accordance with CRD” and “the Solvency requirement”. Intra group capital is excluded from the calculation.
